this book updates the progress into adulthood of the cohort of fourteen year olds who were recruited and tracked until they were eighteen years old illegal leisure 1998 described their adolescent journeys and lifestyles focusing on their early regular drinking and extensive recreational drug use this new edition revisits these original chapters providing commentaries around them to discuss current implications of the original publication plus documenting and discussing the group at twenty two and twenty seven years of age illegal leisure revisited positions the journeys of these twenty somethings against the ever changing backdrop of a consumption oriented leisure society the rapid expansion of the british night time economy and the place of substance use in contemporary social worlds it presents to the reader the ways in which these young people have moved into the world of work long term relationships and parenthood and the resulting changes in the function and frequency of their

drinking and drug use patterns amid dire public health warnings about their favourite intoxicants and with the growing criminalisation of a widening array of recreational drugs the book revisits these young people as they continue as archetypal citizens in a risk society the book is ideal reading for researchers and undergraduate students from a variety of fields such as developmental and social psychology sociology criminology cultural and health studies professionals working in criminal justice health promotion drugs education harm reduction and treatment will also find this book an invaluable resource

a 2017 choice outstanding academic title award winner this book is an introduction to the history of alcoholic drink in england from the end of the middle ages to the present day treating the subject thematically it covers who drank what they drank how much who produced and sold drink the places where it was enjoyed and the meanings which drinking had for people it also looks at the varied opposition to drinking and the ways in which it has been regulated and policed as a social and cultural history it examines the place of drink in society and how social developments have affected its history and what it meant to individuals and groups as a cultural practice covering an extended period in time this book takes in the important changes brought about by the reformation and the processes of industrialization and urbanization this volume also focuses on drink in relation to class and gender and the importance of global developments along with the significance of regional and local difference whilst a work of history it draws upon the insights of a range of other disciplines which have together advanced our understanding of alcohol the focus is england but it acknowledges the importance of comparison with the experience of other countries in furthering our understanding of england s particular experience this book argues for the centrality of drink in english society throughout the period under consideration whilst emphasizing the ways in which its use abuse and how they have been experienced and perceived have changed at different historical moments it is the first scholarly work which covers the history of drink in england in all its aspects over such an extended period of time written in a lively and approachable style this book is suitable for those who study social and cultural history as well as those with an interest in the history of drink in england

this is a great resource that reflects the huge expertise of the authors it will be welcomed by students researchers and indeed anyone wanting critical but comprehensive coverage of key issues and trends concerning drugs and society locally and globally historically and today nigel south professor of sociology university of essex provides informative balanced and contextualized insights into the relationships between people and drugs whatever your background and however knowledgeable you feel you are about contemporary drug issues i guarantee that you will learn something unexpected and new from this valuable text joanne neale professor of public health oxford brookes university why do people take drugs how do we understand moral panics what is the relationship between drugs and violence how do people s social positions influence their involvement in drug use insightful and illuminating

this book discusses drugs in social contexts the authors bring together their different theoretical and practical backgrounds offering a comprehensive and interdisciplinary introduction that opens up a wide scientific understanding moving beyond cultural myths and presuppositions this is an invaluable reference source for students on criminology sociology and social sciences programmes as well as drug service practitioners such as drug workers social workers and specialist nurses

with contributions from leading international academics across the social sciences this accessible handbook takes a critical look at the key theories disciplinary approaches contemporary issues and debates in the field part i central social science theories drug and alcohol studies part ii pillars in social science drug and alcohol studies part iii controversies and new approaches in social science drug and alcohol studies this handbook is an excellent reference text for the growing number of academics students scientists and practitioners in the drug and alcohol studies community

the goal of this book is to contribute to the ongoing scholarly discussion on the very serious topic of drunkenness the phrase four hundred rabbits is one of many illustrations of the deep cultural religious and social influences on how individuals and communities view alcohol intoxication the aztecs believed alcohol to have a divine origin with a god and goddess giving birth to 400 meaning innumerable in ancient aztec divine children or rabbit gods each representing a varying degree and expression of alcohol intoxication and drunkenness hence the book s subtitle which at first glance might seem light hearted but in fact represents an in depth look at a weighty topic with such rooted sociocultural factors in mind the international center for alcohol policies icap and drinkwise australia collaborated to prepare a publication that advances current understanding of the individual and collective meanings purposes and functions of drunkenness as the authors explain interpretations by different disciplines of the terms intoxication and drunkenness are often inconsistent the chapters of this book discuss intoxication and drunkenness from three perspectives biological cultural and social by placing intoxication and drunkenness into these contexts the book is able to offer language and conceptual tools to help advance the ongoing discussion on how best to reduce alcohol related harm and encourage responsible enjoyment of beverage alcohol readers in need of an in depth understanding of the varied dimensions of extreme drunkenness will add this excellent resource to their personal library

given recent media coverage of women s drinking habits it is surprising that a topic of such interest has not produced a comprehensive examination this book provides not just a survey spanning a century of momentous change but integrates diverse sources with concepts to offer a new understanding of the changing nature of women s drinking patterns it challenges traditional assumptions and offers original interpretations about the diverse factors influencing women s consumption of alcohol including advertising moral panics sexism legislative

initiatives employment age ethnicity technology new drinking venues and marketing strategies what most influenced how women transformed their consumption of alcohol what beverages did they drink to what extent did women themselves act as agents of change these and other questions serve as the basis for analysing women s drinking patterns from a social and cultural perspective close attention is also paid to the image of drinking projected in advertising the mass media and films
