eddie didn't favor anyone in his family fair blonde and green eyed he stood in sharp contrast to the other darker complected dark haired blue eyed members the difference created a rift in

the family fabric and his mother singled him out for abuse irrationally holding him responsible for the family's turmoil little eddie struggled with the severity of his maltreatment but by age eleven could no longer handle the circumstances of his life he decided his only escape would be to die that by conscious will he could simply resolve to give up life and cease to exist eddie's mind alerted to his decision and believing the ultimate goal for any entity was to continue regardless of form or quality of life was determined to survive panicked at the threat of cessation his mind made a desperate decision it fractured his personality and created randy from traits that had been repressed in eddie randy a tough defiant individual was created to bring new energy new life and stand in defense of the defeated accepting eddie rising to the challenge he accepted the responsibility of his creation and was fiercely focused to protecting eddie while endeavoring to create new circumstances for the life they shared randy was proud of his efforts to save eddie he knew he was eddie's paladin his champion created for a noble purpose to bring eddie back from the brink of oblivion after many struggles randy's efforts appeared to be successful and the mind considered the possibility of enjoying the existence he'd insured it pondered the idea of eddie being involved with the world rather than merely persisting through the time allotted for the life aware of eddie's inability to interact with the world around him the mind again fractured the personality creating jesse a new facet an aesthetic personality focused to tender feelings of love and friendship and aspects which determine quality of life jesse felt he was created to experience emotions and appreciate beauty to evolve the repressed side of the personality to bring stability to the entity he believed he was born to search for love to find the emotional equilibrium that would bring the separate identities into harmony developed from suppressed characteristics jesse was creative and confident loving and inquisitive charming and fun loving and he was on a quest determined to achieve his goal without eddie's awareness of them randy and jesse sought to balance their existence and hoped they were achieving what they saw as a normal life until jesse experienced an incident which shattered that belief and forced them to realize they had not progressed as far as they thought jesse's realization that he had made a terrible mistake was devastating jumping to a conclusion randy the controlling personality in his determination to fend off any challenges to them felt he must take over to handle the crisis in an effort to protect them

more sassy than sally sells seashells more peculiar than peter piper picked a peck of pickled peppers these twisters will either loosen your tongue or get you all tangled up and laughing either way they re pure entertainment and a great way to kick start a kids party some of the twisters might look easy at first but when you multiply them and speed up suddenly you re tripping over the words reversing letters and turning mush mouthed so grab the clock and find out just how many times you can repeat this in ten seconds the bad brats broke the bats or fresh fried fish filets fresher fried fish filets freshest fried fish filets it s an irresistible challenge

unlike most screenwriting guides that generally analyze several aspects of screenwriting constructing dialogue is devoted to a more analytical treatment of certain individual scenes and how those scenes were constructed to be the most highly dramatic vis á vis their dialogue in the art of screenwriting one cannot separate how the scene is constructed from how the dialogue is written they are completely interwoven each chapter deals with how a particular screenwriter approached dialogue relative to that particular scene s construction from citizen kane to the fisher king the storylines have changed but the techniques used to construct scene and dialogue have fundamentally remained the same the author maintains that there are four optimum requirements that each scene needs in order to be successful maintaining scenic integrity advancing the storyline developing character and eliciting conflict and engaging emotionally comparing the original script and viewing the final movie the student is able to see what exactly was being accomplished to make both the scene and the dialogue work effectively

essay from the year 2008 in the subject film science grade 13 humboldt university of berlin
anglistik amerikanistik course postmodern cinema language english abstract by mid
november 1999 the 15 million production american beauty 1999 by sam mendes had already
earned 65.6 million it won five academy awards and three golden globes and provoked a lot
of discussion after its release it presents the story of lester burnham who at the age of 42
realises that he has lost his joy in life his marriage to carolyn burnham just lasts to keep up
appearances he cannot fulfil himself in his job and his relationship to his daughter is rather
distanced and problematic consequently he encounters himself right in a stage of midlife
crisis among others it won the award for best camera which is not surprising when we
consider all the interesting shots and camera angles and the whole mise en scène but the
most eye catching part of the composition is the contrast of colours whereas in nearly the
whole movie we find restrained pastel colours like white grey and blue as the dominant ones
for example in the interior of lester's house the colour red in specific scenes is the most
outstanding one it is used for very special objects as for the entrance of lester's house and
the red roses that accompany every of lester's fantasies about angela a school friend of his
daughter jane in the following i will show how the colour red can be understood as a symbol
for lester's lost and newly emerging dreams firstly i will briefly demonstrate how the red
entrance of his house begins to make lester aware of his restrictedness and loss of freedom
as well as the increasing disintegration of his family then secondly i will switch to the most
powerful image of the movie the red rose it has a different meaning for lester depending on if
it is seen with carolyn or with angela whereas with carolyn the roses remind lester even more
of the decay of his family and their thwarted love the rose petals that he imagines escorting
angela are symbols of his newly emerged sexual desire he feels engaged to change his
monotonous life and the red colour accompanies his transition and reminds him of his dreams
