keeping the republic's lively discussion of who gets what and how develops students' critical thinking abilities in the intro american government course every section and every feature in the book has one goal in mind to get students to think critically and be skeptical of received wisdom serving as a true aid to teachers each chapter is designed to build students analytical abilities by introducing them to the seminal work in the field and showing them how to employ the themes of power and citizenship this proven text builds confidence in students who want to take an active part in their communities and government to play their part in keeping the republic and to consider the consequences of that engagement

in the spring of 1837 people panicked as financial and economic uncertainty spread within and between new york new orleans and london although the period of panic would dramatically influence political cultural and social history those who panicked sought to erase from history their experiences of one of america's worst early financial crises the many panics of 1837 reconstructs this period in order to make arguments about the national boundaries of history the role of information in the economy the personal and local nature of national and international events the origins and dissemination of economic ideas and most importantly what actually happened in 1837 this riveting transatlantic cultural history based on archival research on two continents reveals how people transformed their experiences of financial crisis into the panic of 1837 a single event that would serve as a turning point in american history and an early inspiration for business cycle theory

a resource for all who teach and study history this book illuminates the unmistakable centrality of american indian history to the full sweep of american history the nineteen essays gathered in this collaboratively produced volume written by leading scholars in the field of native american history reflect the newest directions of the field and are organized to follow the

chronological arc of the standard american history survey contributors reassess major events themes groups of historical actors and approaches social cultural military and political consistently demonstrating how native american people and questions of native american sovereignty have animated all the ways we consider the nation s past the uniqueness of indigenous history as interwoven more fully in the american story will challenge students to think in new ways about larger themes in u s history such as settlement and colonization economic and political power citizenship and movements for equality and the fundamental question of what it means to be an american contributors are chris andersen juliana barr david r m beck jacob betz paul t conrad mikal brotnov eckstrom margaret d jacobs adam jortner rosalyn r lapier john j laukaitis k tsianina lomawaima robert j miller mindy j morgan andrew needham jean m o brien jeffrey ostler sarah m s pearsall james d rice phillip h round susan sleeper smith and scott manning stevens

the book is about the history of struggle for respect of human dignity and freedom against man made darkness in which i f i is one expression this book aims to make people see that nation s human struggle is one venue to see the human design that by it man is one manifestation of the great designer creator the hope through it is that human history should be respected and sanctity be preserved and not be altered by propaganda and lies instead record of actuality and of truth in which by honesty liberates the oppressed and the oppressor then we can affirm the truths of jesus for life with all sects of prosperity self and of claims today christianity seems reduced into selective bible ism conversation in the table between pro imperialist and nationalistic heavenward and earthward is needed to make sense of christianity here and now jesus said love the lord your god with all your heart mind spirit and strength man s total being cannot pretend to be spirit only cannot dictate god to be for spirit and heaven only historical sense shaped ecclesiality for the whole global community of all race

americans have an unusually strong family ideology we believe that morally self sufficient nuclear households must serve as

the foundation of a republican society in this brilliant history barry levy traces this contemporary view of family life all the way back to the quakers levy argues that the quakers brought a new vision of family and social life to america one that contrasted sharply with the harsh formal world of the puritans in new england the quaker emphasis was on affection friendship and hospitality they stressed the importance of women in the home and of self disciplined non coercive childrearing this book explains how and why the quakers had such a profound cultural impact and why more so in pennsylvania and america than in england and what the quakers experience with their own radical family system can tell us about american family ideology who were the northwest british quakers and why did their family system so impress english french and new england reformers voltaire crevecoeur brissot emerson george bancroft lydia maria child and lousia may alcott to name just a few to answer this question levy tells the story of a large group of quaker farmers from their development of a new family and communal life in england in the 1650s to their emigration and experience in pennsylvania between 1681 and 1790 the book is thus simultaneously a trans atlantic community study of the migration and transplantation of ordinary british peoples in the tradition of sumner chilton powell s puritan village the story of the formation and development of a major anglo american faith and an exploration of the origins of american family ideology
