the viking age was a period of european history that spanned roughly from the late 8th to the mid 11th centuries it was a time of significant cultural social and political change marked by the expansion of scandinavian peoples across the north atlantic and into europe as well as the development of distinct viking societies and cultures

viking heritage and history in europe presents new research and perspectives on the use of the vikings in public history especially in relation to museums re creation and re enactment in a european context taking a critical heritage approach the volume provides new insights into the re creation of history imagining the past interpretation ambivalence of authenticity authority of history remembrance and memory medievalism and public history highlighting the complexity of the field of public

history today the fourteen chapters all engage with questions of historical authenticity and authority the volume also critically examines the public's reception engagement with and interpretation of the viking age and the concepts of who these individuals were each chapter illuminates an aspect of these themes in relation to museums leisure activities politics tourism re-enactment and popular culture all from the vantage point of viking cultural heritage viking heritage and history in europe is one of the first volumes to examine the use and role of the vikings within the field of public history both past and present the book will be of interest to those engaged in the study of heritage public history history the vikings vikingism medievalism and media history

the story of the norse begins with the first ancient tribes during the early nordic stone age there originated the nordic ax culture when primitive norsemen create their first stone battle axes an incredible evolution of an innovative and progressive culture that groomed legendary warriors whose voices still roar out today take a journey into the age of viking expansion where ragnar lothbrok rollo erik the red and many other famous vikings take you on a ride into the very halls of valhalla learn about norse culture marriage customs baby naming ceremonies and the sacrificial blóts used in spiritual and religious observances explore legendary norse such as the jómsvíkings varangian and rus the vikings played ball and board games and had their own form of martial arts called glima explore knowledge and technology specific to a culture that was shaped by a people who were able to reach great distances across seas beyond their homelands a battle ferocious people who were unmatched by their opponents there's a whole new world of understanding about the ancient vikings has been opened up by new archaeological discoveries and studies new findings that lead to new questions about the jötnar often called frost giants there were many shared technologies between the ancient norse the inuit and other native american aborigines viking explorers have long interacted and traded with many people and cultures afar were ancient norse already in contact with early native americans see for yourself with new information about the norse that was once lost in time

describes the vikings including their history weapons and way of life

globalization may be undermining kipling's assertion that east is east and west is west but arguably this is more in the realms of technological advances and consumer behavior than political culture in the latter area much is still made of the contrasts between eastern culture characterized by collectivism and belief in authority and western culture characterized by individualism and belief in democracy such comfortable assumptions will be shattered by readers of politics culture and self this volume indeed confirms that differences between east asia and northern europe do exist however it also points to major similarities e.g. regarding social harmony and the role of the family in society as well as significant contrasts mirrored within the two regions e.g. concerning interpersonal and institutional trust

a history of the vikings

includes settlement of iceland and greenland and voyages to america

the story of the vikings is one of the most dramatic in european history from their base in scandinavia viking warriors and settlers spread across northern europe into

russia and across the atlantic after their first impact as fearsome raiders destroying monasteries and plundering coastal settlements the vikings turned to conquest in england ireland and normandy in their longships they also penetrated into the mediterranean and as far as byzantium as well as establishing settlements in iceland and greenland and discovering vinland or america the vikings is a concise and clear survey of who the vikings were what they did why they did it and how we know about them it includes an account of their remarkable saga literature it is likely to become a standard work on the subject

the vikings dominated western europe from the 9th to the 11th centuries in this account of the viking world every aspect of viking life is examined important chapters on ships runes and religion have been contributed by specialist authors and the text is complemented by illustrations including maps and reconstruction drawings photographs many of them especially commissioned portray the brilliant products of the vikings culture and the beauty and harshness of the natural world they faced

list of members in v 3 5

the vikings possessed many skills and talents that helped them make a lasting contribution to the world but they are legendary for their raiding and pillaging their ventures and conquests in europe during the viking era are major events in world history

profusely illustrated text discusses the history customs life style and discoveries of the vikings
